* Cows to be milked in the Hospital in the presence of the Superintendent.

F. FERNANDES,

Superintendent, Epidemic Diseases Hospital and Government Lepey Asylum.

GOVERNMENT STATIONERY DEPOT, BANGALORE.

ECONOMY IN THE USE OF PAPER.

Dated 24th October 1916.

The attention of Heads of Departments, and of all officers and officials using Government paper, is drawn to a notice issued by His Majesty's Secretary of State for India, to the

effect that most of the available supply of bleaching powder in the United Kingdom is being requisitioned for military purposes and that the supplies of this article to the paper mills in this country will, therefore, be severely restricted.

As this is likely to result in a great shortage in the manufacture of white paper in this country, it is requested that the use of white paper be reduced to the utmost.

The Superintendent of Stationery requests that old book covers and file boards should be sent to the Press, instead of being destroyed, so that, wherever possible, they may be rejuvenated.

MYSORE GOVERNMENT STATIONERY DEPOT.

TENDERS FOR THE SUPPLY OF WRITING, PRINTING AND OTHER PAPERS.

Notice dated 6th November 1916.

Sealed tenders for the supply of writing, printing and other papers, required for the Government of Mysore, during the official year 1917-18 (commencing from 1st July 1917), will be received by the Superintendent of Stationery, Mysore Government, at his office at Bangalore, up to 1 P.M., on Monday 8th January 1917.

2. Tenders should be superscribed "Tender for the supply of writing, printing and other papers," and should be accompanied by samples and a receipt for a sum of Rs. 500, as earnest money deposited in any of the Mysore State Treasuries, or in the Bank of Mysore, Bangalore, or the Bank of Madras, Madras or Bangalore, or Messrs. Coutts & Co., London. No cash or currency notes will be accepted as earnest money. Earnest money will be returned to unsuccessful tenderers.

3. Samples of the required papers used by the Government of Mysore can be seen at the Mysore Government Stationery Depot, Bangalore, any day, except Sundays and holidays, between the hours of 11 A.M. and 4 P.M., or samples of the standard papers may be had on application to the Superintendent of Stationery, Mysore Government, Bangalore.

4. The successful tenderers will be required to execute a security bond in the prescribed form on 8 annas Mysore Government Stamp paper and to deposit a security of five per cent on the value of papers for which the tender is accepted for the due fulfilment of the contract. This security may be in Government of India Pro-notes endorsed to the Dewan of Mysore, or in Mysore Government Savings Bank deposits made under para 9 of the Savings Bank Rules.

5. The schedule annexed hereunder shows probable requirements; and the quantities shown are only approximate. *Should additional supplies be required during the year, beyond the quantities stated in the tender form, contractors must be prepared to furnish such additional supplies at their tendered rates.* The contractors will be bound to make good to Government any loss which may arise from their failure to supply in time and thus put Government to the necessity of purchasing the articles specified in the contracts in the local Market at higher rates than those contracted for.

6. The contractors must make deliveries of papers, within three months from the date of orders from the Superintendent of Stationery, in quantities as may be required by him from time to time. It shall be in the discretion of the Superintendent to extend the time for such delivery, on reasonable cause being shown. All supplies will be subject to strict examination by the Superintendent of Stationery. Papers not up to quality and sample will be rejected and will remain at the risk of the contractors. *All papers must be entirely free from mechanical wood.*

7. Payments for papers supplied will be made on bills to be furnished in duplicate after acceptance by the Superintendent of Stationery, such payments, falling due on or after 1st July 1917.

8. Tenders must be submitted on forms which can be had on application to the Superintendent of Stationery.

9. Tenders must specify the rate at which the tenderers agree to supply. These rates must include baling, shipping, carriage, and all other charges up to delivery at the City Railway Station, Bangalore.

10. Tenders will be opened by the Superintendent at his office at 3 P.M., on Monday 8th January 1917, in the presence of such tenderers as may choose to attend.

11. All papers with the exception of items Nos. 8, 23, 24 and 25 of the schedule should be water-marked "Government of Mysore." The purchase of overmakes of water-marked paper cannot be guaranteed, and they should in no case exceed *ten per cent of the ordered quantity*, but the contractors must bind themselves not to sell at any time such water-marked papers to the outside public.

12. The Superintendent reserves the right of rejecting any tender in whole or in part without assigning any reason therefor.

Schedule of Papers required for 1917-18 commencing from 1st July 1917.
